

Winner of the Start-up of the Year 2008 Award

Soligie

Why did Soligie stand out from all the others?

- *Shown great technical and commercial progress throughout the past year*
- *Developed a business model that encourages partnerships*
- *Provides a means for companies without their own production facility to enter the market*
- *Attracted lead customers*
- *Has the potential to become a market and/or process technology leader*
